Pastor Crump mentors more than twenty ministers and strongly believes in equipping the saints through word and example. She is a servant of God, being used by the Lord through the power of the Holy Spirit to bring forth the Word of God in song, preaching and teaching. It is her intent to present the Word

of God so that it might comfort, confront, inform, inspire, influence and lift high the Name and Person of Jesus Christ, attesting to His love, His mercy and His grace.

She was first licensed as a preacher through the AME Zion Organization. She is a member of Bridges Fellowship International under the direction of presiding Bishop Mark Filkey, and residing Bishop Shaun Cooper.

She is a licensed real estate broker and has operated businesses in the City of Flint and Mt. Morris for over 51 years. She has retired as a real estate appraiser and HUD Certified 203K Inspector.

She has served on the local United Way Finance Committee, Urban League Board of Directors, and Flint Realtors Board of Directors; has been consultant to the Governor's Small Business Council, Urban League Housing Initiative; and has been President Appointee as Chairperson of Genesee/Shiawassee Private Industry Council (PIC) of the Job Training Partnership Act (JTPA).

With the love and support of her husband, Pastor Herbert E. Crump, two sons, four grandchildren, one great granddaughter, and the greatest bunch of people on earth (Five Fold Church Family), Pastor Juanita continues to move under the direction of the Holy Spirit. Her desire is to see the Father's Will done "in and through" His People.

Her favorite saying is, "It's the Lord's doing and it is marvelous in our sight." She confesses her love for the Father for giving His Son, love for the Son for giving His life and love for the Holy Spirit for giving new life.
